Republican Voters of Texas PAC, a political action committee, is a group of active, deeply conservative Montgomery County Republicans. RVTX PAC believes we represent Conservative Republican values and interests, but we have never claimed to be the Montgomery County Republican Party. Our PAC mission is to endorse candidates who are 1) Republican, 2) highly qualified for the office they seek, and 3) are outstanding members of their community. Endorsed candidates have received a majority vote from our Advisory Board during our vetting process. Unlike other PACs, each member of our Advisory Board is allowed an equal vote when making endorsements, as opposed to a minority leadership team. We place great emphasis on research and vetting.
